SIGN UP

NOTE: Remember that Passwords must be at least 8 characters long including numbers, upper and lower case letters.

The following message will appear in your screen.

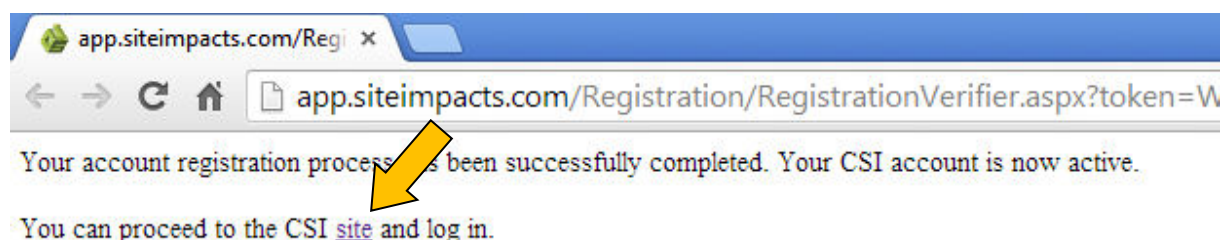

Go to the inbox of the email used during registration and check for an email from notifications@siteimpacts.com to activate your account.

Click on “activate account” link to complete registration process.

Once activated you will be redirect to app.siteimpacts.com and receive the following message:

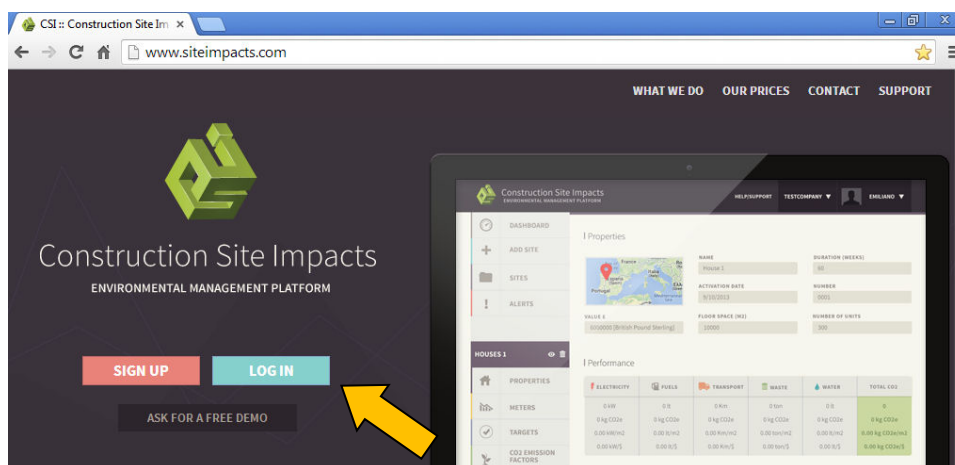

You are now ready to log into the CSI tool at app.siteimpacts.com

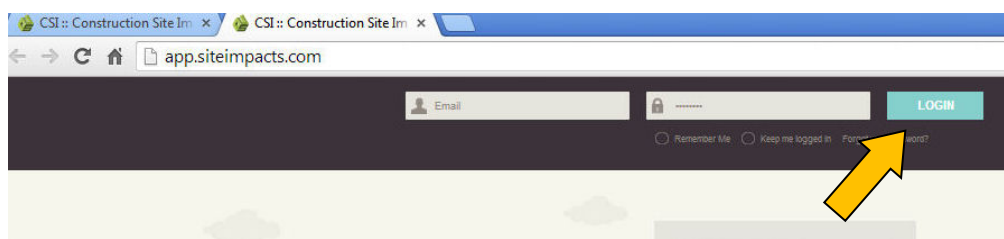

Logging in

From SiteImpacts Web Site - www.siteimpacts.com - click on “SIGN UP”

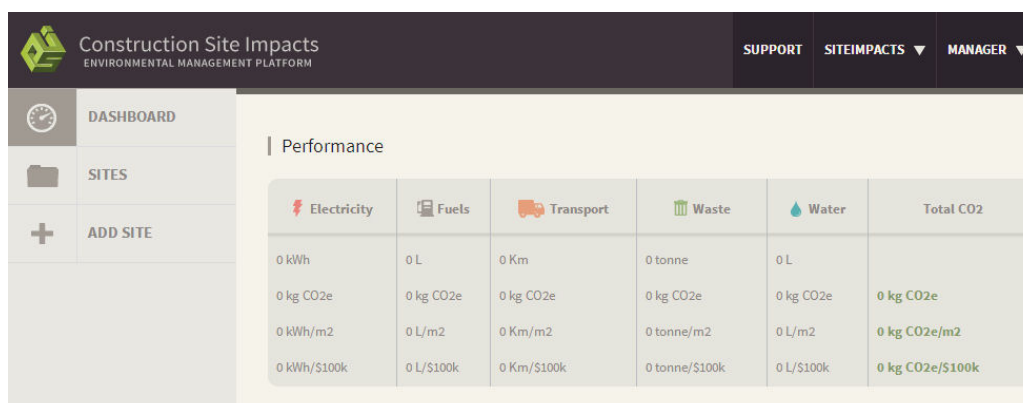

The command will open another window in your browser and you will then be directed to app.siteimpacts.com

Complete your email and password (the same used during registration) and click on “LOG IN”.

You are now logged in the tool on the main “Dashboard” page. The dashboard shows the summary of all your site emissions.

If you have any queries please contact us via www.siteimpacts.com and we will be happy to help.
